“ We will table
a bill in
the spring. ”

Steven Guilbeault

Minister of Canadian Heritage of Canada

Government promised action to stop
Facebook and Google’s attack on
local news.
So where is it?

There’s no legislation in sight and, come
mid-June, MPs will go on their long summer break.
Every day of delay puts more journalism jobs across
Canada at risk and strengthens the stranglehold of
these two powerful global giants. It’s time for Prime
Minister Justin Trudeau and his government to act –
before it’s too late.
