“ We will table
a bill in
the spring. ”

Steven Guilbeault

Minister of Canadian Heritage of Canada

Government promised action
to stop Facebook and Google's
attack on local news.
So where is it?

There's no legislation in sight and, come
mid-June, MPs will go on their long summer
break. Every day of delay puts more journalism
jobs across Canada at risk and strengthens the
stranglehold of these two powerful global giants.
It's time for Prime Minister Justin Trudeau and his
government to act – before it's too late.
