

A stylized illustration in a muted color palette showing a person's hands holding a large tablet. The tablet displays a news website with various articles, images of houses, and icons like a dollar sign and a person on a bicycle. In the background, there is a laptop on a desk, a cup of coffee, and a window showing a landscape with mountains and birds. The overall scene represents the integration of print, online, and digital news consumption.

**On the same page.**

Whether they're thumbing through pages or swiping to the next article, 4 in 5 people in Canada read the news each week — by print, online or digitally.
