Notes:

All Newspapers Canada-member daily newspapers and community newspapers, except those in Quebec, are included in the above scenarios. Also included are the Metro free dailies, which have indicated that they would join a National Press Council. Not included: 14 other free dailies (independents, Black Press, 24 hours, t.o.night); non-member community newspapers.

Audited circulation figures are used for each newspaper as follows: Daily newspapers--Daily average; Community newspapers--Primary edition. These are the figures that determine Newspapers Canada membership fees.

Includes Postmedia and Sun Media papers.
