NINE OF TEN CANADIANS (88%) READ A NEWSPAPER ON ANY PLATFORM EACH WEEK

Newspaper access is multi-platform – one-third of adults (**34%**) read on **ALL FOUR** platforms.

While more adults continue to embrace technology to read newspaper content, 6 out of 10 adults continue to access print editions.

Every platform (print, desktop/laptop, phone and tablet) is accessed by every demographic to read newspaper content.

88% of Adults Read Newspapers

Desktop/Laptop readership adds **14%** more reach to weekly **print** readership. Add the **phone** platform to reach an additional **13%** of adults and **tablet** to reach another **3%**.

Canadian Adults Read Newspapers Across All Platforms

- **Print** – peaks at breakfast and in the evening
- **Desktop/Laptop** – strong between breakfast and lunch
- **Phone** – most popular platform at all times
- **Tablet** – peaks after dinner

Millennials Read Newspaper Content Primarily on Phones

- **Print** – consistent throughout the day
- **Desktop/Laptop** – peaks slightly after breakfast
- **Phone** – most popular platform at all times
- **Tablet** – peaks after dinner

■ Print ■ Desktop/Laptop ■ Phone ■ Tablet

Boomers Love to Read their Newspapers in Print

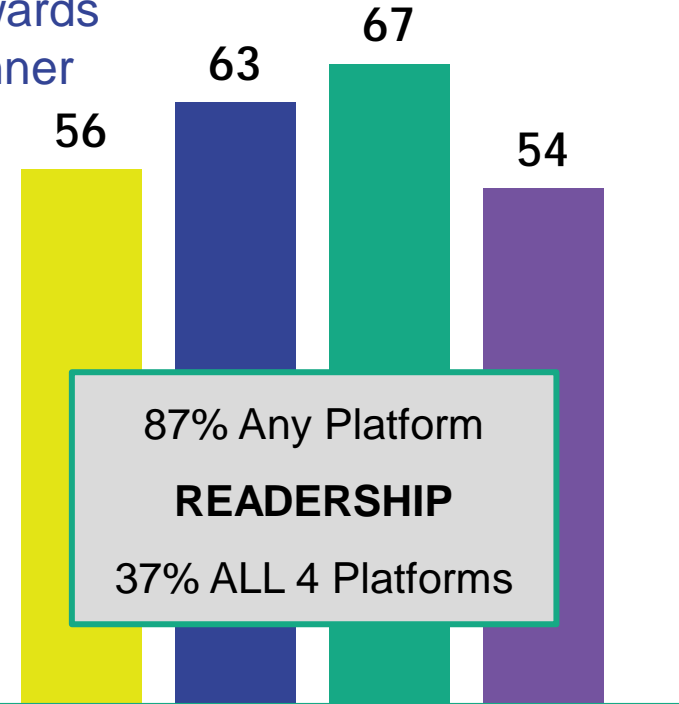

- **Print** – primary platform at breakfast
- **Desktop/Laptop** – early morning and after dinner
- **Phone** – primary midday platform
- **Tablet** – strongest after dinner

Adults 35-49 Read Newspapers on all Platforms

- **Print** – peaks after dinner
- **Desktop/Laptop** – steady climb from breakfast onwards
- **Phone** – strong through the day and peaks after dinner
- **Tablet** – peaks after dinner

Key Takeaway #2

Readership Habits Vary by Platform

Print readership remains strong in the morning and the evening.

Desktop/Laptop reading is strongest early in the day and again between breakfast and lunch as well as after dinner.

Reading newspaper content on a phone is constant throughout the day for “on-the-go” access to information.

Tablet is an evening device for accessing newspaper content.

Key Takeaway #3

Newspapers Reach all Targets

- **Millennials** prefer to access newspaper content on their phones but still use other platforms. More than a third (34%) use all four platforms.
- **Boomers** are the strongest print readers but make use of all platforms throughout the day.
- **High income earners, Influencers**** and **Business Decision Makers*** are dedicated newspaper readers – more than **91%** access news on a combination of print and digital platforms.

TABLET Highlights

OVER FIVE OF TEN ADULTS (53%) READ
NEWSPAPER CONTENT VIA THEIR TABLET.

- Evening continues to be the key usage period.
- Usage has grown from **37%** in 2012 to **53%** in 2018.
- Influencers** and Business Decision Makers* report the strongest tablet usage of all demographics.

Totum Research; Canadians 18+, weekly readership, February 2018

*Canadian professionals, senior management/executives and business owners/self employed

** Influencers – 3+ of the following statements: Find a new product and typically recommend it to others; Keep informed about new products and services; People frequently ask for my advice; Always the first to try new products/services; Frequently share information about products/services on social media

Newspaper Media Reach All Target Groups

Millennials read most on a phone. **Boomers** prefer to read in print. **Adults 35-49 years old** over-index for both phone and computer platform readership.

% Readership

Newspaper Media Reach all Target Groups

Business Decision Makers*, **Influencers**** and **adults with household incomes \$100K+** read most on their phone but have the highest overall readership on any platform of all target groups. They all over-index on print readership.

Totum Research; Canadians 18+, weekly readership, February 2018

*Canadian professionals, senior management/executives and business owners/self employed

** Influencers – 3+ of the following statements: Find a new product and typically recommend it to others; Keep informed about new products and services; People frequently ask for my advice; Always the first to try new products/services; Frequently share information about products/services on social media

Influencers

Influencers are typically early adopters and trusted by others. Consumers often trust recommendations from a third party more than a brand so having readers who are Influencers is an asset. **True influence drives action, not just awareness.**

Newspapers 24/7 defines Influencers as those who agreed (somewhat/strongly) with 3 or more of the statements below:

1. Find a new product and typically recommend it to others
2. Keep informed about new products and services
3. People frequently ask for my advice
4. Always the first to try new products/services
5. Frequently share information about products/services on social media
